Introduction

Founded in 1989, the JRJCA now boasts over 450 players spread over 11 squads. The Academy is run under the aegis of the Jersey Rugby Football Club and is affiliated to Hampshire RFC.

Mission Statement

The mission of the JRJCA is: To provide the educational and social opportunities for all young people, regardless of ability and gender, to realise their fullest potential and play Rugby Union Football to their highest personal standard in a safe, fun and non-discriminatory environment and to promote and model the core values of rugby, good sportsmanship and a strong sense of community.

Organisation

An elected committee helps steer the Academy and each squad is overseen by a manager, a qualified coach and assistant coaches. In total over 80 volunteers' help out at the Club each week. The Academy enjoys the services of Ashburton sponsored professional coach Ben Harvey.

Through the Clubs affiliation with Hampshire RFC the U14, U15 and U16 squads compete in the Hampshire league. This entails at least eight trips (per squad) to the UK (usually through Southampton airport) which costs the club and the players' parents quite a lot of money. The younger players also have the opportunity to travel for friendly fixtures or festivals. In total the Academy spent over £120,000 on travel during the 2008/9 season.

The Club also welcomes many visiting teams during the season.

Term time is best for JRFC fixtures. Many families leave the Island during holiday periods, making it more difficult - but not impossible - for us to field a side. Half term dates do differ between Jersey and the UK so please check with us before making travel arrangements.

During the Autumn Term we can arrange JRFC fixtures with visiting squads at Jersey RFC. In the Spring Term, fixtures can also be arranged with local schools. It's worth considering a combined Channel Islands visit as many clubs have played Guernsey one day and Jersey the next. With sufficient notice, we will do our best to accommodate your needs.

Touring Obligations

Rugby tourists to Jersey are reminded that they are ambassadors for their country, their club and the game of Rugby. We wish all our visitors an enjoyable stay in our Island and that you will ensure that your group will conduct themselves with responsibility at all times both on and off the field.
